

REMARKS

By the present Amendment, claims 1-10 have been canceled and new claims 11-26 have been added. New claims 11-26 are based on canceled claims 1-10 and support can be found throughout the specification. These new claims are believed to more clearly define the invention and to more fully comply with U.S. practice. No new matter has been added.

In the event that there are any questions concerning this amendment, or the application in general, the Examiner is respectfully urged to telephone the undersigned so that prosecution of the application may be expedited. Favorable consideration on the merits is respectfully requested.

Respectfully submitted,

BURNS, DOANE, SWECKER & MATHIS, L.L.P.
